IMPORTANT GUIDELINES AND POLICIES

- *This is a fixed departures tour, and all departure timings of each destination are fixed. Therefore, passengers must ensure they report as per the mentioned scheduled ETDs on each day of the tour.*
- *In respect of COVID-19, all necessary measures issued by the State & Central Governments would have to be adhered to by the passengers. The measures shall be confirmed by our team to the passengers 02-03 weeks prior to the date of arrival. Without adhering to the prescribed measures/requirements, boarding would be denied without any refunds.*
- *Guests have to MANDATORILY submit their correct weights at the time of booking. If any change in weight is found at the time of their travel from the submitted weights, which would exceed our aircraft's weight-carrying capacity, guest(s) would be deboarded*

& canceled for the Heli-tour without any refund. Overweight charges would be charged to guests who are above 75 kg in weight.

- The reason for the same is that we operate at very high-altitude terrain where the weight-carrying capacity of the aircraft is only 440 kg. Hence, due to overweight passengers, we lose seats in our Chardham fixed departure flights. Overweight charges are applicable at INR 3,000/kg for the total weight above 75 kg per passenger. Weighing at the time of boarding the helicopter is a must, since our team shall not allow boarding in case the total weight exceeds the weight limitation of the helicopter.*
- Due to the same reason, in case of more than one available aircraft, we reserve the right to shuffle passengers between helicopters to manage the right weight of helicopters for safe flying in the hills. Therefore, passengers traveling together might not be accommodated in the same helicopter flight.*
- When planning your tour, we strongly advise guests to keep one additional day at hand in Dehradun, over & above the 5N/6D period, so that they do not end up in trouble in case the weather gets very bad after the commencement of the tour, which may lead to an extension of the tour.*
- Airport transfers will be provided only on the arrival day at Dehradun and on the 5th day of the tour.*
- AADHAR & PAN Card copies are to be shared mandatorily by all Indian nationals, & a passport is required in case of foreign nationals.*
- Network connectivity at Harsil & Badrinath is very poor. BSNL & Jio are the main telecom service providers that work in these regions at times. It is most likely that guests would be cut off from the outside world during their time there. However, our crew shall be with the guests for any assistance required at all the Dhams.*
